

Congratulations, We 're excited to welcome you to the RYD Wheels team! You have been accepted and approved for dealer pricing for RYD Wheels. If you're interested in getting Dealer + Volume pricing, see details below.

On our pricing guides you will find a Wheels sheet which is a quick and easy way to look and see pricing on different wheel sizes and finishes. You will then see an Accessories sheet which shows pricing on matching rotors, pulleys and sprockets.

### Dealer + Pricing

Dealer + is achieved one of two ways. The first being a \$10,000 Buy In, in which case you will immediately be put at this status for one year. The second is you purchase \$15,000 of product at normal Dealer Level pricing within a two month time period. Once you achieve this amount, your account will be credited back for the Dealer + discount on the products.

You will have to maintain a minimum of \$50,000 per year to remain at this discount level.
